

Elisha and the company of prophets went to the Jordan river to build a place to live. While cutting down trees, an axe head fell into the river. What happened then was a miracle. What did Elisha throw into the river to make the axe head float?

Color the shapes in the river that contain a • . Can you find the axe head? 

As the army of Aram came toward Elisha, he prayed to God that they would be made blind. The blinded army followed Elisha to Samaria and when they arrived the Lord opened their eyes. The king of Israel spared their lives.

Trace the dashed line to help the blind Arameans get to Samaria for a feast and then back to King Aram.
