

THE TOWER OF BABEL

Old Testament Lesson #6 • Genesis 11:1-9

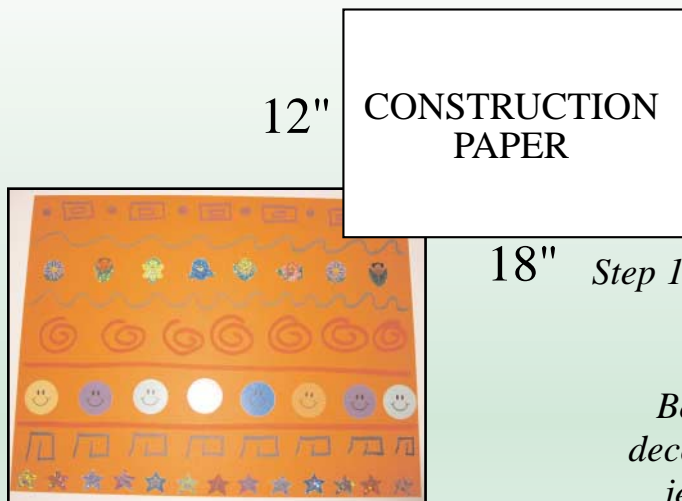

When the people try to build a tower to the heavens, God halts their progress.

3D TOWER

This Tower of Babel is a decorated cylinder of construction paper.

Items Needed

- 12x18" construction paper – any color
- Stickers
- Markers
- Glue or stapler

Step 2

Be creative! Sponge-paint the tower or decorate with different fun materials like jewels, sequins, glitter glue or stamps.

Directions

1. Give everyone a piece of 12x18" construction paper.
2. Decorate the tower with stickers and markers. You may also add a door with people next to it or around the bottom of the tower.
3. Shape paper into cylinder and staple or glue in place.
4. Optional: Attach cotton balls to the top of the tower for clouds.
