

When the people try to build a tower to the heavens, God halts their progress.

THE TOWER OF BABEL

Old Testament Lesson #6 • Genesis 11:1-9

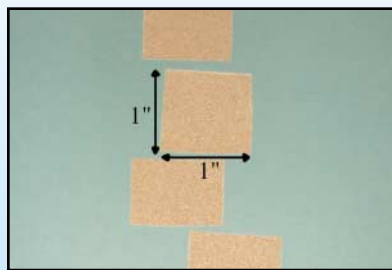

SANDPAPER TOWER

This Tower of Babel is made of sandpaper and decorated with markers.

Items Needed

- White construction paper
- Construction paper – any color (1 piece per child)
- Scissors
- Sandpaper (approx. 1 sheet per child)
- Markers or crayons
- Glue sticks or other

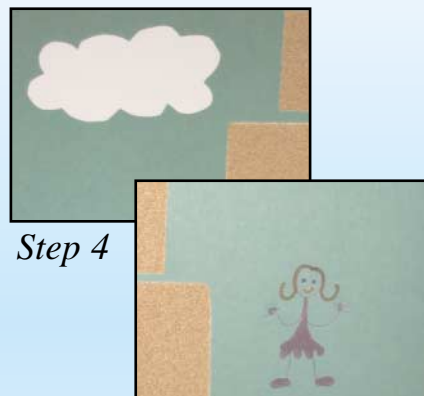

Be creative! Decorate the tower or try felt or foam instead of sandpaper and cotton balls for clouds.

Step 1

Step 3

Step 4

Step 5

Directions

1. Cut sandpaper into about 1-inch squares; each child will need about 8.
2. Give each child a piece of construction paper, any color.
3. Glue on sandpaper squares to make a tall Tower of Babel to the top of the paper.
4. Cut out and glue clouds around the top of the tower.
5. Draw little people at the bottom so the tower looks really tall.

This craft is designed to be made with adult help and supervision. Some of the material can be prepared beforehand for easier assembling by the children.
