

Abram was 75 years old when God first promised him many offspring and much land. Time had passed. He and Sarai still had no children. Abram talked to God about how this would be fulfilled. God took Abram outside and told him to do something.

Do the math.
Then use the answers to find the right words from the stars.

“
 $4 \times 4 =$ $3 + 1 =$ $9 - 1 =$ $5 + 0 =$ $1 \times 6 =$ $6 \div 2 =$ $15 - 14 =$ $12 + 5 =$ $21 \div 3 =$
 —
 $3 \times 3 =$ $6 + 6 =$ $12 - 10 =$ $24 - 5 =$ $10 + 3 =$ $30 - 10 =$ $5 \times 2 =$ $8 + 3 =$
 ”
 $7 + 7 =$ $20 - 2 =$ $5 \times 3 =$

Choose the word from each set that doesn't belong. Write it on the line below.

God knew Abram was a righteous man.
